The Live Beyond Challenge at Copper Ridge is Super Charged as they drive Donations and Awareness toward Local Charities!

February 2, 2012

Members of the Texas Corvette Association showed up with their shiny dream machines to support the Live Beyond Challenge at Copper Ridge, benefiting St. Jude's Ranch. Copper Ridge is an affiliate of Southerland Communities and National Land Partners. At last count, the company's give-back program had been able to donate over \$22,000 to local charities.

The New Braunfels based community of Copper Ridge is half-way into their year-long Live Beyond Challenge. *"The program is a way to facilitate the connection between local businesses and non-profit organizations and bring them together by driving awareness and building relationships,"* says Jay Patterson of Southerland Communities. *"...this is what the Live Beyond Challenge is all about."*

Attendees of the event were able to walk the amazing line-up of cars, which offered a glimpse of past, present and future models of corvettes. Fantastic philly cheese steaks were made to order by Buffalo Wings and Rings and to top it all off, Two Tarts Bakery provided their best deserts. Entry to the event, as well as, all of the activities was completely free.

The event, in support of this month's charity partner, St. Jude's Ranch, has currently raised \$2,000. *"We are very grateful for all the support and hard work that Copper Ridge-Live Beyond the Challenge event has provided for St. Jude's Ranch for Children and our community. With their generous contribution, it allows us to continue to provide a safe haven for abuse, abandoned and neglected children. With the help of Copper Ridge we are a stronger community and a better place to live. Thank You!"* says Sylvia Leal of St. Jude's Ranch.

Just beyond the entrance are beautiful homesites and a community park that will feature a resort-style pool, Texas-style pavilion with fireplace, BBQ and picnic tables, tennis and basketball courts and scenic walking trails.

What makes Copper Ridge so perfect is a dominant ridge that provides incomparable views from every vantage point. The ridgeline’s east to west orientation is gradually terraced, thus affording almost every ridgeline property owner unobstructed panoramic views of the distant hills, the peaceful meadows below and sunrises and sunsets of every hue. The ridgeline gradually transitions to grassy meadows with islands of oaks and cedar elms. The space is open enough to afford big sky views while providing the right amount of cover to separate you from your neighbor.

Copper Ridge is an affiliate of National Land Partners, LLC, the largest and most successful buyers and sellers of recreational and residential land in America. Their mission is to help every day people realize their dream of land ownership and to help them find the perfect piece of property where they can build a home.
